🌟 \*\*Thrilled to Share My Success!\*\* 🌟

I am excited to announce that I have secured a job during these challenging recession times. As a fresher, finding opportunities can be incredibly tough, but I am grateful to have had the guidance and support of **Aditya Chandak** sir and the entire team at **Nitya Cloudtech**

**Aditya Chandak** sir and **Nitya Cloudtech** were there for me every step of the way. From conducting mock interviews and providing motivational support to keeping me updated on current market trends, they ensured I was well-prepared for every scenario. Their dedication didn't stop there—they also organized sessions with company HR professionals, giving me real-time insights that were invaluable.

Thank you, **Aditya Chandak**, sir and **Nitya Cloudtech**, for your unwavering support and one-to-one guidance. Your efforts have made a significant impact on my journey, and I couldn't have achieved this without you. No amount of thanks will ever be enough to express my gratitude. 🙏

I am muskan kushwah persuing **b.tech** 5th sem from nitm college and i complete my first data analysis dashboard in Power BI, It's a significant achievement, and I'm sure it represents a lot of hard work and dedication . It's wonderful to hear that I had a mentor like Sir Aditya Chandak to guide me through my data analysis journey. Mentors play a crucial role in personal and professional development. It's always essential to express my journey in data analysis is just beginning, and there are many more exciting opportunities and challenges ahead

I am Bhoomika Batham, a passionate student pursuing **b.tech** in Computer Science at NITM College. I am thrilled to announce the commencement of my journey into the world of data analysis. I am completed my first dashboard using Power BI as part of my data analysis journey with my mentor, Aditya Chandak Sir. This experience has deepened my understanding of data visualization, analysis, and reporting, and I'm excited to apply these skills to real-world challenges. .. I want to express my deep appreciation to Aditya for his exceptional mentorship, which is shaping my path in data analysis
